EXPLORING POTENTIAL MAJORS

MMC ACADEMIC DIVISIONS

MISSION STATEMENT

The Martin Methodist College Career Services Department, as an integral part of the college, has as its mission:

To provide opportunities for assessment that may be used to help in determining career and educational pursuits

To engage students in the exploration of developing lifelong career management skills in order to achieve their professional goals

To assist students in the development of documents used for career and educational opportunities

To provide opportunities for networking with professionals that may assist students in achieving their educational and career goals.
