A MESSAGE FROM the President

Dear Parents,

Several weeks ago, we welcomed 358 new freshmen and transfer students to the Martin Methodist Family. Along with these new students, we also see their parents and extended family members as part of our Martin Methodist family. At Family Day, we had a great opportunity to meet and celebrate our “family.” We know that behind every successful student is a critical support system of family and friends.

We want you to know that we value the role you continue to play in your child’s life, and this periodic newsletter is one of the ways we hope to remain connected. Thank you for allowing us to help your family member discover and develop their passion and potential for a life of service in the world.

For the College,

Dr. Mark La Branche
President, Martin Methodist College

HOW YOU CAN pray FOR MARTIN METHODIST COLLEGE

- Pray for **students** who may be feeling the loneliness of being away from home and on their own for the first time in their lives. Pray that they will experience the nearness of God’s presence and that they will be cared for. Pray for the provision of friendship, and pray that they find a balance of work and recreation that will help them to live well.
- Pray for **families** who enter this school year feeling financially challenged or burdened by concerns of health or relationship. Pray that each one will experience God’s peace in the midst of those challenges.
- Pray for **faculty, staff, and administration** who guide and support our students in their academic, social, and spiritual lives. Pray that their work continues to bring them joy and pride, and pray that God will provide them with wisdom and steadfastness.
